

# COMMAND GS

# OXYGEN

40.1G  
1.4 oz

DISPOSABLE CARTRIDGE

**WARNING: DO NOT REFILL**

USE ONLY WITH TORCHES DESIGNED FOR OXYGEN. READ AND FOLLOW IMPORTANT SAFETY WARNINGS ON SIDE LABEL.

## FIRE / EXPLOSION HAZARD

Contains oxygen under pressure which can enlarge a fire and may cause or intensify fire, oxidizer.

To reduce chance of leak, fire or explosion:

## BEFORE USE

1. Check cartridge and regulator seals. Never use with damaged or missing seals. Discard cartridge if dirt or rust particles are in valve area.
2. Turn off regulators.
3. Hold cartridge upright while attaching torch.
4. Attach cartridge outdoors away from pilot lights, flames, sparks and other ignition sources. They can ignite leaking gas.
5. Screw clockwise to attach cartridge to oxygen regulator.
6. Hand tighten only. Never use tools to tighten. Over-tightening can damage seals.
7. Check for leaks. Put gas leak detection spray or soapy water on connections. Look for bubbles. Listen for hiss of escaping oxygen. Do not use if leaking.
8. Read and follow torch instructions.
9. Do not inhale cartridge contents. Oxygen in cartridge is not approved for internal or medical use.

## DURING USE

1. Use upright to prevent flare-ups or flashes. Never drop or throw cartridge.
2. If torch sputters or flares up, turn cartridge upright and turn off torch. Vent area to remove unburned gas. Slowly turn on. After hearing slight hiss, re-light.
3. Never use near pilot lights, flames, sparks, and other ignition sources. They can ignite leaking gas. Only use in well ventilated areas.

**PLEASE NOTE:** Please ensure you are set up and prepared to start your work prior to turning on the oxygen, the expected usage time for this oxygen cartridge will vary depending upon the settings set by the user. We estimate a usage time of between 5 -10 minutes.

## COMPRESSED OXYGEN

Contains: Oxygen  $\geq$  99.5%

## FIRST AID MEASURES GENERAL

Consult a physician, Provide a copy of the safety data sheet to the doctor in attendance.

## EYES

Flush eyes with water as a precaution.

## INHALATION

Remove person to fresh air. If respiratory irritation, dizziness, nausea or unconsciousness occurs, seek immediate medical assistance. If breathing has stopped, provide artificial respiration.

**DO NOT REMOVE THE PRODUCT LABEL**

Refer to Safety Data Sheet before use.

40.1g (1.4oz)

## FIRE FIGHTING MEASURES

Use alcohol foam, water spray, dry chemical or carbon dioxide.

## DANGER

**MAY CAUSE OR INTENSIFY FIRE;  
OXIDIZER.**

**CONTAINS GAS UNDER PRESSURE,  
MAY EXPLODE IF HEATED.**

1. Keep/Store away from clothing and combustible material.
2. Keep valves and fittings free from oil and grease.
3. In case of fire: Stop leak if safe to do so.
4. Store in a well-ventilated place.
5. Protect from sunlight.
