

Tradeflame®

INSTRUCTIONS

1. Strictly follow usage instructions supplied with your appliance.
2. Perform this operation in a well-ventilated area, free from ignition sources.
3. Always check for leaks before ignition. Spray **Tradeflame Leak Detection Spray (211634)** or **Tradeflame Leak Detection Foam (400023)** on connections. Look for bubbles. Listen for hiss of escaping gas. Feel for extreme cold. Smell for rotten egg odour. Do not use if leaking.
4. For use only with appliances that recommend this cartridge type.

SPECIFICATIONS

- **Gas:** Butane ≥ 45% (106-97-8)
Isobutane ≥ 28% (75-28-5)
Propane ≥ 26% (74-98-6)
- **Gas fitting:** Screw on fitting
- **Fuel cartridge size:** 220g
- **UN2037**
- **EN 417 Compliant**

DANGER

- **EXTREMELY FLAMMABLE**
- **FLAMMABLE GAS UNDER PRESSURE**
- **DO NOT LEAVE IN DIRECT SUNLIGHT**
- **DO NOT REFILL**
- **DO NOT PUNCTURE/PIERCE/INCINERATE EVEN AFTER USE OR EMPTY**
- **DO NOT SPRAY ON AN OPEN FLAME OR OTHER IGNITION SOURCE**
- **DO NOT EXPOSE TO TEMPERATURES EXCEEDING 40°C**
- **DO NOT STORE IN THE BOOT OR GLOVE BOX OF YOUR VEHICLE**
- **FOLLOW INSTRUCTIONS SUPPLIED WITH THE APPLIANCE**
- **STORE IN A COOL DRY PLACE**
- **TO DISCARD CONTACT YOUR LOCAL RECYCLING CENTRE**

BUTANE POWER GAS

220g

PRV™

PRESSURE RELEASE VENT

DANGER HIGHLY FLAMMABLE GAS

Misuse can cause severe injury.
Always read the label / manual and leak-test every connection before lighting the appliance.

DUAL SAFETY SYSTEM

PRESSURE RELEASE VENT
Prevents explosions in dangerous overpressure situations

TRI FOLD SAFETY SEAM
For stronger, safer cartridges

OUR COMMITMENT TO YOUR SAFETY

This cartridge is equipped with a PRV™ safety feature designed to prevent dangerous overpressure situations. In the unlikely event of excessive pressure, the PRV™ will automatically activate, releasing gas in a controlled manner to reduce the risk of an explosion.

If the PRV™ activates, a small flame may ignite. Extinguish it immediately or move away to a safe distance.

FOR YOUR SAFETY: Always follow the manufacturer's instructions when using this cartridge and any connected appliances.

IMPORTANT: Avoid exposing the cartridge to extreme heat, hot surfaces, sparks, open flames, direct sunlight or other ignition sources. Doing so can cause the cartridge to rupture. No smoking.

CAUTION: For maximum protection, always wear safety goggles, gloves or other appropriate equipment.

KEEP OUT OF REACH OF CHILDREN
